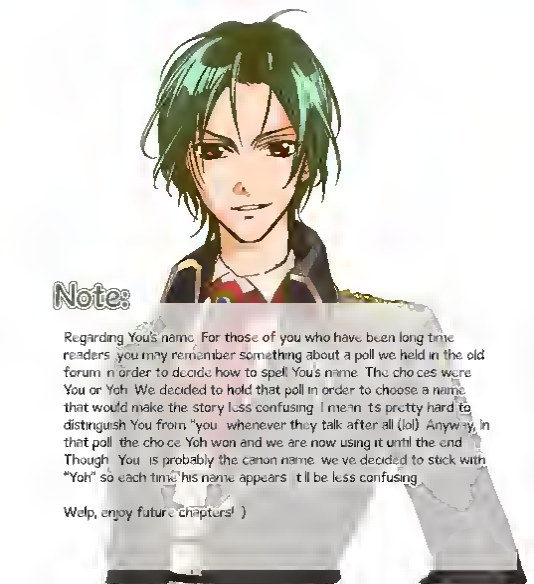
Miss Princess

Volume 2: Chapter 1



Note:

Regarding Yoo's name. For those of you who have been long time readers, you may remember something about a poll we held in the old forum in order to decide how to spell Yoo's name. The choices were Yoo or Yoh. We decided to hold that poll in order to choose a name that would make the story less confusing. I mean, its pretty hard to distinguish Yoo from "you" whenever they talk after all (lol). Anyway, in that poll, the choice Yoh won and we are now using it until the end. Though, Yoo is probably the canon name, we've decided to stick with "Yoh" so each time his name appears, it'll be less confusing.

Welp, enjoy future chapters! :)
